

OVERVIEW

The Alltech Group guarantees the NBS camera systems, but with certain exceptions. The Alltech Group warranty is set out for the period outlined below, against manufacturing and material defects, insofar as they are installed, operated and maintained within accordance with the specific instructions by the Alltech Group.

WARRANTY PERIOD

- The warranty period is valid for 1 year begins on the date which the system is installed or the date of sale written on the invoice.
- Responsibility of the Alltech Group under this warranty is limited to parts repair or the replacement of any product returned to the workshop. Please note that on-site labor and travel are not covered.
- This warranty may be transferred if the machine is sold within the warranty period.
- Replacements parts installed during the warranty period will not extend the manufacturer's standard warranty. However the installed parts will carry their own warranties. (1 year, parts only).

EXCLUSIONS

What IS NOT covered on your warranty:

- Normal wear and tear of parts.
- Damage of material during transport (statement of claim with the carrier).
- Improper, installation which does not comply with the direction of the provider or OEM approved.
- Damage due to normal wear and tear, corrosion, damage, accident, storage or inappropriate operation.
- Modification to the device, use of copied parts or the competition, repairs by unauthorized personnel.
- Warranty of the system is expired.
- Any repair attempt made by the customer without authorization from the Alltech Group.

WARNING! Under no circumstances you should attempt to open or disassemble the system components, otherwise your warranty will be void.
